

Villa - Atlas Oak Natural

Product Description

Our fantastic Villa laminate range is designed with a highly realistic wood effect surface that pays homage to the natural material by perfectly replicating its stunning knots, light and dark grain patterns, organic markings, and flowing lines. This laminate floor is ideal for creating a welcoming and comfortable atmosphere in modern decor. Hard-wearing, durable, and boasting an anti-bacterial coating, the 12mm thick floor also comes with an AC5 rating, making it a perfect choice for busy areas in a family home. Installation is a breeze with the quick and easy click fitting system, so there is no need for messy glue or too many tools! The premium quality materials and affordable price transform Villa into an ideal flooring solution and a fantastic alternative to solid wood flooring. Complete with a Blue Angel Certificate for VOC Emissions the Villa range benefits from being environmentally friendly for your added peace of mind.
