

Super 7mm Golden Oak

Product Description

Our fantastic Super 7mm laminate range is designed with a highly realistic wood effect surface that pays homage to the natural material by perfectly replicating its stunning knots, grain patterns, organic markings and flowing lines. Hard-wearing, durable and boasting a scratch guard technology, the 7mm thick floor also comes with an AC3 rating, making it a perfect choice for busy areas in a family home. The premium quality materials and affordable price transform the Super 7mm laminate range into an ideal flooring solution and a fantastic alternative to solid wood flooring.
