

## Palermo Long - Slate Oak

### Product Description

With the Palermo Long will easily transform any décor. Designed with a highly detailed wood effect texture and long planks that measure 1845mm and have 4-sided V-groove edging, this laminate floor will bring the allure of oak to modern spaces at a fraction of the price of solid wood flooring. The 12mm thickness combines with an AC5 rating to provide a reliable and simply gorgeous flooring solution for a busy family home or a commercial space with heavy foot traffic. The anti-bacterial coating brings more peace of mind, along with the eco-friendly materials and sustainably sourced wood.

To complete your purchase and ensure the perfect feel underfoot, We recommend using a 1-3mm underlay.

Range Details	Properties	Technical Data	Technical Specification
