

## Chequer Tiles - Black Gloss

### Product Description

Achieve luxurious appeal that offers contemporary style and outstanding quality with our range of Chequer Tile laminate flooring. Expertly constructed with an 8mm thickness and impressive AC4 durability rating, the Chequer Tile range is hardwearing and abrasion resistant making it perfect for use in both domestic and commercial use! The range offers a generous 20 year domestic warranty and 3 year commercial warranty so you don't need to worry about any accidental damage. Thanks to its easy 5G click fitting system, the Chequer Tile range is DIY friendly and a breeze to install, not only this but the 5G click provides enhanced water resistance by preventing water from penetrating into the seams of the floor panels.

Range Details	Properties	Technical Data	Technical Specification
