

Versailles - Dove Oak

Product Description

Introduce luxurious style into your home with our stunning range of Versailles Porcelain Tiles, achieve the look of Versailles wood but with all the benefits that porcelain tile has to offer. The matt finish helps provide anti-slip protection ensuring these tiles are safe for your home. Expertly crafted from extremely hardwearing and versatile porcelain, our tiles can be used on floors and walls and benefit from being 100% waterproof.

Our Versailles Tiles are easy to maintain and suitable for underfloor heating, however please note if you have a water heating system then you will need to install an anti-crack mat to prevent your tiles from breaking with the increasing heat.

Range Details	Properties	Technical Data	Technical Specification
Material	Porcelain	Slip Resistance	R10
Finish	Matt	Water Absorption	≤ 0.5%
Thickness	9mm	Breaking Strength	≥ 1100 N
Tile Width	60cm	Resistance to Staining	5
Tile Length	60cm	Frost Resistance	Yes
Pack Coverage	1.44	VOC Emissions Rating	A+
Tiles per Pack	4		
Country of Origin	Spain		
Rectified Edge?	No		

Installation Guidance	Properties
