## Liora Cloud Slate

### Range Description

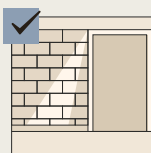

Soft warmth. Natural ease. Liora Cloud Slate offers a light, earthy tone with gentle movement across the surface. It brings the texture of stone, softened for everyday living. Calm, comforting, and quietly grounding. Liora Cloud Slate – Beige pairs effortlessly with natural fibres, warm woods, and sun-washed neutrals. It brings warmth to minimalist spaces and softness to structured ones. Use it to create continuity-floor to wall, inside to out. Ideal for spaces that seek light without starkness. Add depth through texture, not colour.
