

ZEN TILES

Titan Monochrome Diamond

Range Description

A classic diamond in muted rhythm. Titan Monochrome Diamond presents a timeless geometric motif, reimagined in a soft black-and-white palette. The repeat of subtle diamond shapes brings vintage charm with a contemporary hush, whispering character rather than declaring it. Its presence is quiet yet assured-deliberate without excess. Let Titan Monochrome Diamond shape curated corners-bathroom nooks, entryways, or under a freestanding sink-where its pattern can be quietly celebrated. Balance the geometry with warm woods, tactile linens, and minimal metals to foster a serene, layered interior. The tile's rhythm grounds the design, offering visual harmony that feels composed and enduring.

RANGE DETAILS		POPERTIES	TECHNICAL DATA	TECHNICAL SPECIFICATION
Material		Ceramic	Slip Resistance	R9
Finish		Satin	Water Absorption	4% < E < 4.5%
Thickness		9mm	Breaking Strength	R >= 24 N/mm2
Tile Width		45cm	Resistance to Staining	Class 4
Tile Length		45cm	Frost Resistance	Yes
Pack Coverage		1.22m ²		
Tiles Per Pack		6		
Country of Origin		Spain
