

ZEN TILES

Ophelia Graphite Stone

Range Description

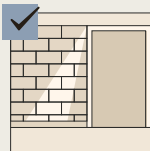

Subtle strength. Calm foundation. Ophelia Graphite Cement Stone carries a soft, neutral grey tone with delicate veining that adds quiet depth without overpowering. Its matt surface feels grounded and approachable-a calm base that supports thoughtful, layered interiors. Ophelia Graphite Cement Stone complements warm woods like walnut, muted greens, and soft textiles such as cotton or wool. Ideal for modern living rooms or serene workspaces, it provides a soothing backdrop that invites layering through natural materials. Use it to anchor spaces with gentle contrasts. Keep accents organic and tactile. Create calm by focusing on simplicity and balance.
