

# ZEN TILES

## Willow Ivory Cement

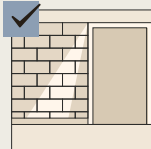

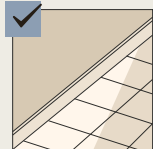

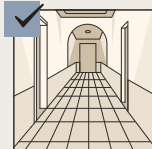

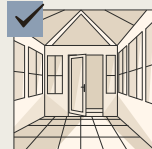

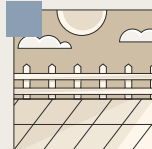

### Range Description

Light and stillness. Effortless clarity. Willow Ivory Cement brings a quiet clarity to interior spaces. Its soft white tone, paired with a gently textured matt finish, evokes the natural calm of stonewashed surfaces. Understated and refined, it creates a sense of openness and ease - without ever feeling cold. Pair with soft greys, light ash wood, or brushed chrome for a palette that feels clean, but lived-in. Willow Ivory Cement reflects light in a subtle, diffused way - ideal for brightening lower-lit areas or adding a gentle sense of space. Use it in kitchens for a crisp foundation, or in bathrooms to evoke softness and serenity. Keep lines simple. Let finishes age gently. The beauty is in the balance.

RANGE DETAILS		POPERTIES	TECHNICAL DATA	TECHNICAL SPECIFICATION
Material		Porcelain	Slip Resistance	R9
Finish		Matt	Water Absorption	< 0,1 %
Thickness		7mm	Breaking Strength	>1400N
Tile Width		30cm	Resistance to Staining	Class 5
Tile Length		60cm	Frost Resistance	Yes
Pack Coverage		1.62m <sup>2</sup>		
Tiles Per Pack		9
