Winslow

Hickory Oak Herringbone

Range Description

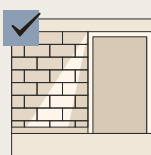

Deep warmth. Organic richness. Winslow Hickory Oak reveals the rich beauty of walnut timber, with deep, inviting brown tones and natural grain that feel both authentic and timeless. The matt finish invites touch, grounding spaces with subtle texture and depth. Pair Winslow Hickory Oak with warm woods, natural textiles, and soft leather accents to cultivate a space that feels inviting and grounded. Ideal for cozy living rooms or intimate dining areas, it brings a quiet sophistication and layered warmth without overwhelming. Balance its richness with light, airy elements to keep spaces calm and open.
