EVOCORE ESSENTIALS - SANDSTONE OAK

PRODUCT DESCRIPTION

Introducing the EvoCore Essentials range, designed with style and comfort in mind. Evocore Essentials Sandstone Oak is a warm mix of caramel and honey tones blending seamlessly to create a stunning floor. The authentic knots and whorls have a natural appearance closely resembling real wood. Consisting of 7 layers, this range is built to withstand all aspects of everyday life. Its 5.2mm thickness and 0.2mm wear layer offers enhanced protection against normal everyday wear ensuring your flooring will look its best for years to come, even in high traffic areas. The built in underlay provides maximum comfort underfoot while additionally providing excellent sound insulation, helpful in busy homes. The anti scratch coating ensures that the floor remains pristine even against paws and heels alike.
