

EvoCore 360 - Harvest Mouse Oak

Product Description

EvoCore 360 offers the key features of Essentials, whilst also showcasing a unique omni-click fitting system which allows for versatility, suitability and style. The fit system allows for unique and eclectic patterns to be created as well as popular herringbone patterns. Tile and wood can be fitted together and colours can even be mixed, extending the possibilities available, and ensuring there is a style and pattern to suit all tastes and preferences.
