EVOCORE PREMIUM LONG - LIGHT MEADOW OAK

PRODUCT DESCRIPTION

EvoCore Premium offers a great selection of different decors and styles, including longboards, tiles, herringbone and regular boards. Made up of different layers which provides a stable core to allow for many different features and benefits. The top layer provides resistance to scratches and stains which makes it suitable across most rooms in homes and is easy to keep clean with low maintenance. The in-built foam underlay provides sound insulation and cushioning of which feels more comfortable underfoot, and means no underlay is required to be purchased.
