

## Classic Herringbone - Charcoal

### Product Description

Do you need flooring that is suitable for every room? Look no further than our Classic Herringbone range! With a scratch resistant and waterproof surface gives you that piece of mind when in those high risk areas like bathrooms, playrooms and kitchens. To complete your purchase and ensure a hard-wearing finish, we recommend using our Impero All-In-One Adhesive. This water-based adhesive will provide your amazing new LVT flooring with protection from movement and prevent any lifting, whilst also being odourless, environmentally friendly and suitable for underfloor heating! Head over to our Adhesive page found in our Accessories menu to get yours now!
