DESIGN FLOORING

Signature

Woodland Oak

Achieve the beauty of solid wood but with all the benefits that Asenso flooring has to offer. Expertly manufactured with our innovative Pro Guard protective coating, the Signature range is equipped to deal with the comings and goings of a busy family home. Benefiting from being 100% waterproof, hardwearing and functional for use around the home. Offering realistic knot and grain detailing, you can enjoy the elegant beauty of solid wood but without the hassle! What's even better, the Signature range can be mixed and matched with other Asenso ranges and even incorporate contrasting feature strips for endless design possibilities.

To complete your purchase and ensure a hard-wearing finish, we recommend using our Asenso Adhesive Pro. This solvent free adhesive will provide enhanced protection from movement and prevent any lifting, whilst also being odourless, environmentally friendly and suitable for underfloor heating!
