## DESIGN FLOORING

### Artisan

#### Shoreline Grey Oak

Invest in a flooring that performs as good as it looks with our Asenso Artisan Range. Each plank boasts realistic wood grain and knot detailing, creating a textured surface that rivals the beauty of real wood. But unlike solid wood, Asenso Artisan is 100% waterproof, super durable, and easy to maintain – making it a fantastic alternative to laminate flooring as well.

To complete your purchase and ensure a hard-wearing finish, we recommend using our Asenso Adhesive Pro. This solvent free adhesive will provide enhanced protection from movement and prevent any lifting, whilst also being odourless, environmentally friendly and suitable for underfloor heating!
