

Artisan Herringbone – Hot Chocolate Oak

Product Description

Artisan Herringbone Hot Chocolate Oak is a combination of rich chocolate tones that blend together to create a warm and dark toned floor.

Brushed and lacquered engineered wood flooring offers durability, easy maintenance, and a stylish appearance. The brushed texture adds a natural, authentic look while hiding scratches, and the lacquer finish provides a protective layer against stains, moisture, and wear. This combination makes the flooring more durable than other finishes, resistant to scratches, and easy to clean. Character grade engineered wood flooring showcases a balance of natural imperfections, including knots, grain variations, and color differences. This grade offers an authentic yet refined look, combining the charm of imperfections with a more structured aesthetic. It's perfect for those who want a floor with personality, offering warmth and individuality while still maintaining a polished appearance.
