

Studio Graphite Oak Brushed & Oiled

Product Description

Tired of the same old boring flooring? Then why not take a look at our Studio Graphite Oak, one of our more contemporary engineered wood floorings. This flooring will add a fresh, striking contrast to any room, with its impressive 14mm thick boards. Each board has a 3mm, solid wood wear layer, expertly brushed with five coats of premium oil. It will provide you with a beautiful floor that is highly durable and built to last. In outstanding lighter shades of grey, these natural wood grains cut through the dark, moody tones of Studio Graphite Grey. It will look gorgeous in any room of your home.
