

## Grand Imperial Natural Oak Lacquered Engineered Wood

### Product Description

Are you looking for a showstopper? Look no further! Our Grand Imperial Natural Oak is a beautiful floor with a naturally organic finish and has been expertly finished with treffert lacquer to help maintain its sophisticated shimmer. Manufactured with a 4-sided bevel and with long planks, Grand Imperial Natural Oak will look spectacular in larger rooms, where its elegant and authentic look can permeate its surroundings with ease. The floor can also be installed in smaller areas, where it can add more depth and open any room with its bright and warm appearance.
