

## Mayfair Nature Oak

### Product Description

Mayfair Nature Oak showcases the classic warm tones of natural wood, with rich, golden browns and subtle amber highlights. The timeless hues bring a sense of warmth and elegance, while the natural grain patterns enhance its traditional appeal, making it a perfect choice for creating a refined and inviting atmosphere. Brushed and oiled engineered wood flooring combines natural beauty with enhanced durability. The brushed finish creates texture, giving the wood a rustic, authentic look while helping to conceal scratches and wear. The oil treatment nourishes the wood, enhancing its color and grain while providing a more natural, matte finish compared to lacquered floors. This finish offers excellent protection against moisture and dirt, but with a more breathable, natural feel. Prime grade engineered wood flooring offers a sleek, uniform appearance with minimal imperfections. It features consistent grain patterns, few knots, and little color variation, making it ideal for a modern, sophisticated look. This high-quality grade ensures a smooth, polished finish and enhances durability, making it a top choice for those seeking a refined, elegant floor with lasting performance.

Range Details	Properties	Technical Data	Technical Specification
Finish	Brushed & Oiled	Fire Certification	Dfl-s1
Species	Oak	Slip Resistance	62 USRV
Grade	Prime	Thermal Conductivity	0.14 W/mK
Veneer	2.5mm	Wear Resistance	n/a
Thickness	14mm	PCP Content	not detected
Board Width	180mm	Formaldehyde Rating	E1
Board Length	2200mm	VOC Emissions Rating	A+
Pack Coverage	2.77m <sup>2</sup>		
Wood Origin	Poland		

Installation Guidance	Properties
Fitting System	Click
Recommended Underlay	Timberlay Silver
Expansion Gap	10 mm
Suitable For Underfloor Heating?	Yes
Acclimatisation Time	48 Hours

### Room Suitability
