

Loft Prime Natural

Product Description

Loft Prime Natural is an upgrade of our bestselling Loft Natural engineered wood range. This range is a classic blend of honey and oak tones creating the perfect wood look.

Lacquered engineered wood flooring offers a sleek, glossy finish that enhances the wood's natural beauty while providing a strong protective layer. The lacquer coating makes the floor more resistant to scratches, stains, and moisture, ensuring long-lasting durability and easy maintenance. This finish creates a smooth, high-gloss appearance that brightens a space and adds a sophisticated, polished look. It's a great choice for high-traffic areas, as it requires minimal upkeep—just regular cleaning and occasional re-coating to maintain its protective layer.

Prime grade engineered wood flooring offers a sleek, uniform appearance with minimal imperfections. It features consistent grain patterns, few knots, and little color variation, making it ideal for a modern, sophisticated look. This high-quality grade ensures a smooth, polished finish and enhances durability, making it a top choice for those seeking a refined, elegant floor with lasting performance.
