

## Artisan Herringbone – Natural Champagne Oak

### Product Description

Artisan Herringbone Natural Champagne Oak has a delicate blend of light tones with richer tones to enhance the natural character of the plank. Lacquered engineered wood flooring offers a sleek, glossy finish that enhances the wood's natural beauty while providing a strong protective layer. The lacquer coating makes the floor more resistant to scratches, stains, and moisture, ensuring long-lasting durability and easy maintenance. This finish creates a smooth, high-gloss appearance that brightens a space and adds a sophisticated, polished look. It's a great choice for high-traffic areas, as it requires minimal upkeep—just regular cleaning and occasional re-coating to maintain its protective layer. Character grade engineered wood flooring showcases a balance of natural imperfections, including knots, grain variations, and color differences. This grade offers an authentic yet refined look, combining the charm of imperfections with a more structured aesthetic. It's perfect for those who want a floor with personality, offering warmth and individuality while still maintaining a polished appearance.

Range Details	Properties	Technical Data	Technical Specification
Finish	Smooth Lacquered	Fire Certification	
Species	Oak	Slip Resistance	
Grade	Character	Thermal Conductivity	
Veneer	3mm	Wear Resistance	
Thickness	12mm	PCP Content	
Board Width	70mm	Formaldehyde Rating	
Board Length	300mm	VOC Emissions Rating	
Pack Coverage	1.34m <sup>2</sup>		
Wood Origin	France		

Installation Guidance	Properties
Fitting System	Tongue and Groove
Recommended Underlay	Timberlay Platinum
Expansion Gap	10 mm
Suitable For Underfloor Heating?	Yes
Acclimatisation Time	48 Hours
