

Loft Pearl Grey Oak Brushed & UV Lacquered

Product Description

Do you want quality flooring that will become a conversation piece? With subtle grey tones over a covering of dunes and pale brown undertones, transform this engineered wood flooring into a masterpiece of interior design. Our Loft Pearl Grey Oak stands out from afar in spite of or thanks to its delicate and understated profile, an incredible feat of balancing contrasts, whether in tone or in substance. The impressive 14mm thickness offers amazing stability, while the smoked oiled finish will ensure the floor will age beautifully, in a continuous metamorphosis that will only increase its charm and Personality.

Range Details	Properties	Technical Data	Technical Specification
