DIRECT WOOD FLOORING

Natural Vintage Oak

Natural Vintage Oak is comprised of light brown hues and straw yellow tones, with the subtle amber undertones adds new dimension to its character. Suitable for both modern and traditional decors this floor will finish off any design choices. Brushed and oiled engineered wood flooring combines natural beauty with enhanced durability. The brushed finish creates texture, giving the wood a rustic, authentic look while helping to conceal scratches and wear. The oil treatment nourishes the wood, enhancing its color and grain while providing a more natural, matte finish compared to lacquered floors. This finish offers excellent protection against moisture and dirt, but with a more breathable, natural feel. Character grade engineered wood flooring showcases a balance of natural imperfections, including knots, grain variations, and color differences. This grade offers an authentic yet refined look, combining the charm of imperfections with a more structured aesthetic. It's perfect for those who want a floor with personality, offering warmth and individuality while still maintaining a polished appearance.

RANGE DETAILS

Construction	Multi-layer of engineered oak
Species	Oak
Veneer (mm)	3
Thickness (mm)	14
Board Width (mm)	180
Board Length (mm)	300 - 1200
Pack Coverage (m ²)	1.73
Boards Per Pack	Random
Grade	Character
Wood Origin	France

TECHNICAL DATA

Fire Certification	Dfl-S1
Slip Resistance	USRV 22
Thermal Conductivity	0.16W/mK
Wear Resistance	n/a
PCP Content	
Formaldehyde Rating	E1
VOC Emissions Rating	Not Detected

INSTALLATION GUIDANCE

Fitting System	Tongue & Groove
Recommened Underlay	2-3mm Underlay
Expansion Gap	10 mm
Suitable for Underfloor Heating?	Yes
Acclimatisation Time	48-72 Hours
