Studio Prime Natural

Product Description

Studio Prime Natural is a versatile colour that works in a wide range of rooms, it is an upgrade of our bestselling Studio Natural range. The light tones and subtle character additions makes it a great option to brighten any space, with the added character features of Prime grade wood. Brushed and oiled engineered wood flooring combines natural beauty with enhanced durability. The brushed finish creates texture, giving the wood a rustic, authentic look while helping to conceal scratches and wear. The oil treatment nourishes the wood, enhancing its color and grain while providing a more natural, matte finish compared to lacquered floors. This finish offers excellent protection against moisture and dirt, but with a more breathable, natural feel.
Prime grade engineered wood flooring offers a sleek, uniform appearance with minimal imperfections. It features consistent grain patterns, few knots, and little color variation, making it ideal for a modern, sophisticated look. This high-quality grade ensures a smooth, polished finish and enhances durability, making it a top choice for those seeking a refined, elegant floor with lasting performance.

Range Details	Properties	Technical Data	Technical Specification
Finish	Brushed & Oiled	**Fire Certification**	Dfl-S1
Species	Oak	**Slip Resistance**	NPD
Grade	Prime	**Thermal Conductivity**	0,16W/mK
Veneer	3mm	**Wear Resistance**	USRV22
Thickness	14mm	**PCP Content**	Not Detected
Board Width	125mm	**Formaldehyde Rating**	E1 (0,2mg/m3)
Board Length	300 - 1200mm	**VOC Emissions Rating**	Test Method: YC/T 207-2014
Pack Coverage	1.8 m²		
Wood Origin	France		

Installation Guidance	Properties
Fitting System	Tongue and Groove
Recommended Underlay	Timberlay Gold
Expansion Gap	10mm
Suitable For Underfloor Heating?	Yes
Acclimatisation Time	48 Hours

Room Suitability
