

## Loft Tobacco Oak Brushed & Oiled Engineered Oak

### Product Description

Quality, reliable, and spectacular best reflects our range of engineered wood floors. Loft Tobacco Oak displays an array of smokey brown shades and delicate neutral tones, in a distressed but stylish engineered wood flooring, that will look perfect in many rooms of your home. Its versatility makes it ideal for any property and colour palette, while its delicate and graceful natural features add just the right amount of rustic beauty. With a high-quality plywood core and a 3mm wear layer made from premium grade oak, you can rest assured that your new floor will withstand anything a busy home can throw at it. To keep your floor looking pristine, it is coated with the highest quality oil, keeping it looking natural for longer.
